Re: File No. 5756A- RFP for Interior Design Services-Addendum No. 1

The following questions were submitted and answered.

Question

Could you please clarify if any consultants are required, such as, Mechanical, Electrical, and Plumbing Engineers, Structural Engineers, or Fire Safety specialist?

Answer

No, Mechanical, Electrical, and Plumbing Engineers, Structural Engineers, or Fire Safety specialist are not required.

Question

The RFP did not include a list of required sub- consultants. Will there be any required sub-consultants the prime must include in their submission?

Answer

No there will not be any required sub-consultants that the prime must include in their submission.

All questions are closed. All other particulars remain the same.
